

Alleluia Dance Theater

One Day DANCE AND PRAYER WORKSHOP

Saturday, January 28, 2012, 9:30 a.m. to 3:30 p.m.

at Holy Spirit Retreat Center in Encino, CA

THEME: "I WILL LISTEN" - Listening is becoming an ever more valuable skill as the number of voices around us increases. We not only hear our news from a news anchor, but also other viewer comments about that news as well. Telephones, voicemail, texts, tweets, posts...there is no lack of information available to us. But now more than ever, we need to be able to prioritize what we hear. Can we distinguish the voice that would lead us in right paths, to still waters and green pastures?

Come spend a few hours away from the babble of voices clamoring for your attention. Through movement, music and stillness we will seek to hear the voice that tells us we will recognize him. Emmalyn will also use drumming as a way to listen. If you have a drum, bring it. If not, the Company will provide.

Conducting the workshop are Evelyn Okamoto, Emmalyn Moreno and Stella Matsuda.

Alleluia Dance Theater is a non-profit corporation whose mission for over 35 years has been to inspire and encourage people in their spiritual journeys through movement.
